

## CHRIST COLLEGE MINIBUS BOOKING

May 2018

Dear Parent,

We run a school minibus service from several locations on Mondays to Fridays and Saturday mornings, the routes and pick up points are detailed below. This is a popular service and places on the minibus do fill up quickly.

In order to allow us to plan for next year's service we request that you indicate your requirements now. An annual ticket will reserve and guarantee your child's seat on the bus but some are available on a daily basis for parents who only wish to use the service once or twice a week or on odd occasions, these seats cannot be guaranteed and priority will be given to annual ticket holders.

If you would like to secure an annual ticket for the next academic year or book a daily ticket please complete the form below and return it before Friday 8<sup>th</sup> June 18. Payment for Annual Tickets is in three equal instalments which must be paid before the commencement of each term. Charges for Daily Tickets are included on the school bill at the end of each term. Could you please carefully check which zone your journey comes under when you apply for your ticket.

This is a highly valued and for many an essential service so please may I emphasise that unless you apply for your annual/daily ticket for next year **we will assume that you will not require one.**

Once we have had all of the returns we can then allocate the seats for this service and advise you of availability.

Yours faithfully,

Martin Allen  
Bursar
