Our Juniors Section ...

Christ College Brecon is an independent school offering day and boarding education to pupils aged 7-18. Since September 2014, we have welcomed children from age 7-11 to their very own, purpose built setting within the college campus called St Nicholas House.

The junior section offers a warm family orientated community, encourages kind qualities, strong values and belief in educating and developing the whole person. It is a close knit community with a strong emphasis on pastoral care, support and guidance.

We encourage good manners, mutual respect and tolerance, promote curiosity, a positive attitude to school work and a willingness to get involved in the community.

With a broad and balanced curriculum that goes far beyond the expectations of a small junior school, our pupils have an enjoyable, fun filled and stimulating learning experience.

Joining our Juniors Section

We know that choosing a private education for your child is a significant investment in their future, we therefore encourage you to come and visit us to meet the team and see the environment our pupils enjoy.

We arrange regular Open Events where you can see our school in action – please check our website for forthcoming events.

Entry Mornings

After you have registered an interest to join our junior section your child will be invited to an Entry Morning. During the entry mornings your child will participate in a range of assessments interspersed by playtime and an opportunity to join in class activities. Your child will also have a chance to meet the Head of the Junior School as well as the teaching team.

All going well, a formal offer letter will be sent after the Entry morning, acceptance of which will secure your child's place at our Junior School

What our parents say...

I am delighted with the education my daughter has so far received and amazed at the confidence she has developed in herself since starting at St Nicholas House.

Parent of Year 6 pupil

My son joined the school in Year 6, my only regret is not allowing him to start earlier.

Parent of Year 7 pupil

A vibrant and exciting place in which to learn where the staff are dedicated to the whole child and to maximising the potential of each and every one of them.

Parent of Year 6 pupil

"A busy and nurturing environment staffed by caring and clearly very dedicated people. St. Nicks is everything we hoped it would be"
